EROS AND ANTEROS.

Charley Fitzhugh found existence metamormucle. He was not the old olergyman's heir, passing under strict entail to his elder brother. His future, therefore, lay entirely at the Rector's disposal, and when in an ebullition of temp r that diving expressed an opinion that the boy had better go into a lawyer's office and begin to try and sarn his bread, the advice could not be rejected. At ones he was articled to Mr. Belper of Lincoln's Ion Fields an attorney at law of some fifty years' standing, who had amassed a | large fortune in his profession.

To keep him out of mischief, it was arranged that he should bound with a family of position in Bayswater, at least, thus the advertisement, inserted by themselves in the newspaper, qualified them.
